

## Year 11 Biology – Assessment Plan – 2025

Students will be informally assessed in a variety of ways including:

- Completion of course work including in-class tasks and homework tasks
- Class Participation discussions, Q&A, reading
- Group work, oral presentations and research
- Practical work
- Revision tests and topic quizzes

Schools are required to submit to NESA a grade for each Year 11 student based on their achievement at the end of the course.

Students will complete the following formal assessment tasks to determine that grade:
